

## NOW HIRING:

# Certified Flight Instructor

**Bergstrom Aircraft, Inc.** located at PSC Tri-Cities, WA is a full-service FBO and Flight School. We are looking to immediately fill a full-time CFI position. Our program is Part 61 and offers Private, Instrument, Commercial, Tailwheel, CFI, CFII, and MEI instruction. We operate a wide variety of aircraft: Citabria, Skyhawks, Skylane, Arrow, Bonanza and Seneca II. We offer flight lessons, BFRs, aircraft rentals, scenics, photo/survey flights and ground instruction. Our instructors fly up to 6 days/week, up to 120 hours/month during the spring/summer/fall season.

### Responsibilities Include:

- ◆ Providing flight/ground instruction to enrolled students while maintaining the highest level of safety and standards given in the Aviation Instructor's Handbook
- ◆ Introductory/Discovery Flight Lessons to encourage new prospects to enroll in our flight school
- ◆ BFR ground and flight instruction as requested by our customers
- ◆ Currency/proficiency ground and flight instruction as requested by our customers
- ◆ Aircraft check-outs/sign-offs by make and model as requested by our customers
- ◆ Local Scenic flights
- ◆ Photo/Survey flights with a customer onboard and/or photographer onboard
- ◆ Assist students with flight and ground appointments by using the online schedule
- ◆ Complete logbook entries as needed in students' logs and instructors' logbook
- ◆ Teach ground school (evening class sessions) as needed
- ◆ Refer students to other instructors as needed to accomplish students' goals
- ◆ Ensure all course standards, training requirements and Flight Department objectives are met by each student in each course
- ◆ Recommend students that are fully-prepared for their FAA checkride
- ◆ Maintain and update training materials/books as needed
- ◆ Maintain clean, professional environment – both in the aircraft and in the company building
- ◆ Stay current with recommended CFI techniques and materials
- ◆ Monitor the maintenance condition of aircraft and report any issues "squawks" in a timely and professional manner
- ◆ Any other flight department tasks as needed or requested
- ◆ All duties and tasks to be completed in accordance with FARs, efficiency, and our customers' best interest in mind

### Minimum Qualifications:

- ◆ FAA Certificated Flight Instructor, Airplane Single Engine Land and current 2nd class FAA medical
- ◆ Aircraft piloting skills - familiarity with/ability to perform required flight maneuvers and procedures
- ◆ Knowledge of and ability to apply effective instructional techniques in the classroom and in flight
- ◆ Knowledge of and ability to apply appropriate FARs and Oral and Practical Test Standards
